22nd June 1866.

Read the following letters:—

No. 516. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 5th June 1866, No. 30.

* No. 1,603.

1. With reference to Proceedings of Government* under date 18th ultimo, I have the honor to state that the decision alluded to, in the first paragraph of my letter, No. 12 of the 7th idem, was that of the Collector of Ganjam and myself.

2. I am not aware that the subject was distinctly laid before Government in that form, but it was twice practically adopted by transferring funds granted for the Sonapur road to other works.

† No. 2,762, 22nd September 1865.
„ 3,624, 17th December „

3. The money is urgently needed for gravelling the roads named in the 3rd paragraph of my letter under reference, whereas little or no good would be done if it were laid out on the Sonapur road; and even if the work on the other roads were fully provided for by additional grants, I would recommend that grant No. 106 be nevertheless applied to some other more immediately useful purpose than that for which it is set down in the Budget.

4. As stated in my previous letter, I have the Collector's concurrence on this subject.

No. 517. From the Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Waltair, 6th June 1866, No. 31.

* No. 648.

† Road between Berhampore and Aska. 14,500^{rs}
Do. do. Palcondah and Nowpada,
via Bomally 10,000

1. With reference to Proceedings* of Government under date 26th February 1866, I have the honor to re-submit estimates for metalling and gravelling the roads named in the margin,† in the

Ganjam District, duly countersigned by the Collector.

2. Application for funds has been made separately, and I trust that they will be granted, the roads being in bad order, and the expenditure of money among the laboring classes of the Ganjam District being very desirable.

No. 518. ORDER THEREON, 22nd June 1866, No. 1,970.

CIVIL WORKS, No. 81.

The Government sanction the estimates of Rupees 14,500 and 10,000 respectively for the improvement of the roads from Berhampore to Aska, and between Palcondah and Nowpada via Bomally, in the Ganjam District, and, under the circumstances stated, they resolve, in anticipation of the sanction of the Government of India, to authorize the diversion of the Budget allotment marginally noted for appropriation to the roads above mentioned in the proportion of Rupees 5,000 to each.

A vertical strip of a book cover, likely a spine or endpaper, featuring a repeating pattern of stylized birds in flight. The birds are depicted in a simple, graphic style, with their wings spread, and are arranged in a vertical sequence. The background is a light, textured surface, possibly paper or cloth, with a subtle grid or woven pattern. The overall color palette is muted, with shades of grey, white, and a hint of blue or green for the birds.
