No. 134. Read the following Proceedings of the Board of Revenue, dated 27th June 1866, No. 4,376.

Read the following letter from the Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 2nd June 1866, No. 176:—

1. I have the honor to report that in the village of Juggaveram, in the Nuzid Zemindary, Acres 3 and Cents 95, forming part of the Inám lands belonging to the two individuals noted in the margin, were taken up for the Masulipatam Canal in Fusly 1268. Compensation for the loss of produce of the past Fuslies was paid to the Inámdars; and at the same time, orders were also issued to the Tahsildar of Gudivada Talook, to assign to the Inámdars waste lands in any of the Government villages of equal value in exchange.

	Extent of the Inám. A. C.
1. Juggavarapu Subbaraz	3 37½
2. Daseka Narsimha Somayajulu ...	27 5
	30 42½

2. No waste land being available in any of the Government villages in the vicinity of the Inámdar's village, the Inámdars have now been obliged to make arrangements with two Government Ryots in the villages of Nemmekur and Kapaveram, in Gudivada Talook, to relinquish a portion of their holdings in exchange for the Inám taken up for public works. The Ryots have agreed to do so.

2. The extent of land determined to be given in exchange, with reference to the value of that destroyed by the channel, is Acres 3* and Cents 70. The land now agreed upon by the Government Ryots to be given in exchange, is Acres 3 and Cents 6; the assessment of which is Rupees 6-1-11, at 2 Rupees per acre, according to the new settlement rates. The difference between the extent of these two lands is 63⅓ cents, which is owing to the rates of assessment on the Inám being low, as specified in the margin.

* Value Rupees 6-1-11, as determined by the Inám Commissioner.

At Rupees	1	10 3
	1	10 6

per acre respectively.

4. I, therefore, request that the Board will be pleased to obtain the sanction of Government to transfer, to the head of "*Inám*," Acres 3 and Cents 6 from the Government Ryots' holdings, and the Inám land occupied by the channel to that of "*waste*."

5. The delay has been caused by the Inámdars not having been able to come to terms with Ryots on Government lands.

Submitted to Government, with the Board's recommendation that the 3·06 acres, assessed at Rupees 6-1-11, which the Inámdars have obtained from certain Ryots, be recognised as Inám for the future, in exchange for the 3·95 acres of equal value taken from the Inámdars for the Masulipatam Canal.
