*Proceedings of the Madras Government, Revenue Department,
4th January 1866.*

No. 31. Read the following Proceedings of the Board of Revenue, dated 12th December 1865, No. 7,943.

Read the following letter from the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated Shevagungah, 11th November 1865, No. 305 :—

1. I have the honor to acknowledge the receipt of the Government Order, dated 17th ultimo, No. 2,521, communicated by the Board on the 27th idem, calling for a report whether the Local Funds are available for the completion of the Water Project at Madura.

2. I beg to state that the District Road Funds have already been allotted for the different sanctioned works of greater importance and benefit (which are now under progress) than the Water Project, and the amounts are expected to be expended within the official year, which cannot, therefore, be used for the Water Project. There is a balance of Rupees 6,055 in cash in the Madura Town Fund, almost all of which is required for the completion of the work in the Market No. 1 under execution.

3. The only sum which is, therefore, available is Rupees 5,500, invested in the Government securities out of the Town Funds, which, if the Board like, may be disposed of, and the sale proceeds applied for the Water Project work, on the understanding that the money is to be re-imbursed to the Town Fund with interest.

Submitted to Government with reference to the order quoted by the Collector. As the Water Project is one in which the inhabitants of the Town of Madura are much interested, the Board see no objection to carrying out the arrangement referred to in the concluding paragraph of the Collector's letter.

No. 32. ORDER THEREON, 4th January 1866, No. 16.
