No. 273 A. Read the following Proceedings of the Board of Revenue, dated 2nd July 1866.

Read the following letter from the Collector of Ganjam, to the Acting Secretary to the Board of Revenue, dated Chetterpore, 14th June 1866, No. 1,269 :—

1. Up to this date I have brought before the Board and Government the sufferings of the poor belonging to the laboring population of this District. The continued rise in prices now compels me to bring to their notice the distress of the Peons and other subordinate servants of the Government.

2. These poor people have hitherto made shift to subsist on their pay, though under many privations, owing to the dearness of all articles of food. But they are beginning to succumb, and their appearance indicates this. The next four or five months will bring with them successive additions to the price of food, and the crisis of the present season of calamity still lies before us; unless, which is scarcely to be looked for, the stored grain of the rice-growing Provinces exists, and can be brought forward, in sufficient quantities to give more than a sufficient supply to the famine-stricken Provinces of Orissa and Lower Bengal generally, for until this is the case, prices must continue to rise here. Rice is now become so dear* that 8 Annas is just sufficient to furnish this single item of the daily food of a large family.

* Seven Seers of 80 Tolas to the Seer, for a Rupee.

3. Assured that every reasonable assistance will be afforded by Government, I beg to lay the case of this class of public servants before them, and to recommend that batta may be given to all Government servants in the principal Division (with the exception of those in the Goomsur Talook and Khond Mahals) receiving 30 Rupees and under per mensem, at the rate of 20 per cent. on their pay during the next five months, commencing from this month, and made payable on the 1st proximo.

4. I find that the Irrigation Company at Cuttack have temporarily raised the salaries of all employés drawing less than 100 Rupees a month, by 20 per cent. The public establishments in Cuttack are also petitioning the Lieutenant-Governor for an increase.

5. The subjoined list shews the number of persons affected by the proposed increase, its particular incidence, and the total cost to the State.
