Revenue DEPARTMENT.

G.O. No.	1749	Press Mis.
Dated	14-7-	1866

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
14th July 1866.*

No. 283. Read the following Proceedings of the Board of Revenue, dated 15th June 1866, No. 4,119.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 16th May 1866, No. 97:—

1. I have the honor to forward, for the consideration of the Board and their orders, copy of part of a letter from my Acting Sub-Collector, in which he mentions a difficulty under which he labors.

2. The accounts which he requires, and the production of which is absolutely necessary for the settlement of the question of the amount to be paid by the Nidadavole Zemindar under the head of water tax, are those regarding old arrears, and the imposition of water tax on the Zemindary lands.

From the Acting Sub-Collector, to the Collector of the Godavery District, dated Nursapur, 9th May 1866, No. 77.

* * *

My difficulty then is this, I have sent to Zemindary Curnums for certain accounts, which are necessary for the completion of the annual settlement; but which accounts I am not authorized to call for under Section 13, Regulation XXIX. of 1802. The Curnums neglect to produce these accounts, my business is delayed, and, apparently, I have no remedy; and I have, therefore, the honor to request you will, if you think fit, refer the matter for the orders of the Board of Revenue.

(True Copy.)

(Signed) J. FRASER,
Collector.

1. Submitted for the consideration of Government. The Board believe that, as the law stands, the Collector is powerless in the matter, as Section 13, Regulation XXIX. of 1802, limits the purposes for which Collectors may require Zemindary Curnums to produce their accounts to the sub-division of estates, and the administration of estates escheated or attached.

2. The Board understand that a remedy for this defective state of things is provided in the revised Draft Bill for declaring the duties of the Revenue authorities.

No. 284. ORDER THEREON, 14th July 1866, No. 1,749.

Miscellaneous.

The Board will desire the Collector to submit a complete copy of the Sub-Collector's letter of which extract is sent, together with any other papers illustrating the difficulty experienced in the District.

Acting Secretary to Government.
