Proceedings of the Madras Government, Revenue Department,
16*th July* 1866.

No. 287. Read the following Proceedings of the Board of Revenue, dated 9th July 1866, No. 4,660.

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 26th June 1866, No. 128 :—

1. The Ryots of the village of Moodootamoggi, in the Talook of Bellary, having complained that in consequence of the occasional overflowings of the river Hagry, on the banks of which their houses are at present built, they are put to considerable inconvenience, as also danger of loss of life and property, and having requested to be allowed to occupy, as building sites, four Acres of unirrigated land, No. 58, which extent of land has been under cultivation by Puttahdars, a full inquiry was instituted, which satisfied me that their complaint was on the main well founded.

2. The extent of No. 58 is Acres 32 and Cents 32, assessed at Rupees 10-2-0, and the portion applied for may, in my opinion, be conveniently appropriated for the above purpose. The village authorities also, and other Ryots, have expressed their consent to the said appropriation.

3. I have, therefore, the honor to request that the necessary sanction of Government may be obtained for carrying out the proposed arrangement.

The sanction of Government will be requested to the transfer of the 32 Acres and 32 Cents of unirrigated land to village site, as requested.

No. 288. ORDER THEREON, 16th July 1866, No. 1,751.

Land Revenue.

The Board will ascertain whether the Puttahdars consent to the proposed transfer, and whether they claim any compensation for the relinquishment.
