*Proceedings of the Madras Government, Revenue Department,
17th July 1866.*

No. 309. Read the following Proceedings of the Board of Revenue, dated 6th July 1866, No. 4,599.

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 30th June 1866, No. 175:—

1. I have the honor, with reference to Proceedings of Madras Government, Revenue Department, of 21st June 1866, No. 4,052, to state that I am strongly in favor of having the Map in question lithographed at a cost of Rupees 1,000, as I think that copies of it, if distributed to the offices of the Sub-Collector, Head Assistant, and Superintending Engineer, would facilitate correspondence, and be of infinite use during the Jummalibundy and other tours of duty in the District. I feel sure the money would be well spent in thus multiplying copies of this valuable Map, and trust that it may be found practicable to have the work executed within the period named, viz., six months.

2. I do not know of any objection to charging a moiety of the cost to Imperial and the other to Local Funds, as the Map comes into constant requisition in connexion with both classes of works. But if any difficulty about money is likely to arise, I beg earnestly to repeat my former recommendation that the charge may be debited to Local Fund.

Submitted to Government with reference to the Order quoted by the Collector.

No. 310. ORDER THEREON, 17th July 1866, No. 1,762.

Miscellaneous.

1. Ordered accordingly that the Map in question be lithographed.

2. The necessary instructions will be issued in the Public Works Department.
