*Proceedings of the Madras Government, Revenue Department,
17th July 1866.*

No. 322. Read the following Proceedings of the Board of Revenue, dated 12th July 1866.

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated Cuddapah, 9th July 1866, No. 101 :—

1. Upwards of two months ago, owing to the great drought, nearly all the wells in the place and the Bugga river dried up, so that I was obliged to dig small wells here and there with the prisoners, to enable the people to get daily water. At last the large well, the mainstay of the place, and from which *all the water for the jail* is drawn, is all but dry, and to make it of any use now, and permanent use hereafter, by cleaning it out, re-stoning it, &c., a sum of Rupees 1,500 is necessary, of this a native gentleman, Fakeer Sahib, will give 1,000 Rupees on behalf of the native community, on condition the Government give Rupees 500, which I really think is nothing more than their proper share of the undertaking, considering the jail is entirely dependent on this well.

2. I have the honor, therefore, to request that you will lay this application before Government for an immediate grant of 500 Rupees.

Submitted for the information of Government. The Board request the sanction of Government for the grant-in-aid of Rupees 500. If no Imperial Funds are available it may be met from the provision under Reserve of Rupees 790 in the Local Fund Budget for the current year.

No. 323. ORDER THEREON, 17th July 1866, No. 1,769.

Miscellaneous.

1. The Government sanction a grant-in-aid of Rupees 500 as requested.

2. It will be considered in the Public Works Department whether the amount can be provided from the Public Works Budget provision.

3. Otherwise it may be charged against the Local Fund Reserve as suggested.

4. The Collector will convey to Fakeer Sahib the Government's appreciation of his liberality.
