Proceedings of the Madras Government, Revenue Department, 20th July 1866.

No. 366. Read the following letter from the Officiating Inám Commissioner, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 12th July 1866, No. 51 :—

1. In the village of Chippagiri in the Talook of Alur, in the District of Bellary, there is a Dasavandam Inám* granted for maintaining a public well situated one mile from the village on the road leading to Kasabupuram, which latter village is five miles distant from Chippagiri.

* Dry acres 46·03.
Assessment Rupees 80-9-0.

2. The Inám is valid, but the well has been out of repair for from ten to twenty years, and the Inámdar is unable to restore it now, as a large outlay of capital is required for that purpose.

3. Mr. Taylor decided that the Inám should be confirmed to the Manager for the time being, leaving it to the Collector to arrange for the restoration of the well by such other persons as he might consider competent to the trust.

4. No one having come forward to undertake the repairs of the well, the Sub-Collector in charge, Mr. Foster, has suggested the advisability of transferring the Inám for the maintenance of a "doné" or hill spring well, which is situated close to the village, and which also requires repair.

5. The Inámdar has no objection to the transfer proposed, and is willing to repair the "doné." The villagers and the Tahsildar strongly recommend the transfer, as the well for which the Inám was granted is in a very dilapidated condition, and even if restored would not be so useful as the "doné." It appears that the latter is the only well which supplies good water to the village for drinking purposes.

6. Under these circumstances, I solicit the authority of Government for transferring the Inám for the repairs of the spring well as recommended by the District authorities, and issuing the Tittle Deed accordingly.

No. 367. ORDER THEREON, 20th July 1866, No. 1,791.

The transfer is sanctioned as requested.
