*Proceedings of the Madras Government, Revenue Department,
4th January 1866.*

No. 33. Read the following letter from the Officiating Inám Commissioner, to the Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 14th December 1865, No. 63:—

1. In obedience to the Order of Government, under date the 30th October last, in the Petition Department, I have the honor to report briefly on the subject of the Petition of Penumarti Lakshmiipati Sastrulu, regarding an Inám held by him in the village of Kankatava, Talook Bandar, Kistna District.

2. The Government will observe from the accompanying extract of the Petitioner's case, that the Inám was continued on *present tenure at his own request*. If he had applied either to the Special Assistant, Mr. Marcar, who registered the Inám in the first instance, or to the Inám Commissioner, from whom he received the Title Deed in September 1859, for the enfranchisement of the Inám as a personal tenure, no doubt his request would have been complied with.

3. But his first petition to this office was not written till three years after he received the Title Deed.

4. As neither the petition nor the Collector's letter specifies the villages in which the other Ináms, held on similar terms by the Petitioner, have been enfranchised as personal, I have been unable to refer to them.

5. The practice of this Department has been, except probably in a few cases at the very beginning of the Commission, to treat as personal all such Ináms as were held by the terms of their grants on conditions of nominal or occasional charity towards Bramins, which was enjoined to be rendered, at the residence of the grantees, subject to little or no control on the part of the ruling authorities.

6. The reason why this was not done in Petitioner's case, was apparently his own desire at the time to be exempted from the payment of quit-rent.

7. While of opinion with the Board that, strictly speaking, the Petitioner is bound by the terms of the grant, I would allow him the benefit of enfranchisement, which he says has been extended to his other Ináms, and which has been, as a rule, extended to all Ináms of the description in question.

8. If the Government approve of my doing so I shall issue an amended Title Deed for the Inám of the Petitioner.

9. The enclosures of the Order are herewith returned.

No. 34. ORDER THEREON, 4th January 1866, No. 17.

Miscellaneous.

The Governor in Council is of opinion that under the circumstances of the case the Inám may be enfranchised as a personal grant, and authorizes the Inám Commissioner to alter the Title Deed accordingly.
