No. 400. Read the following Proceedings of the Board of Revenue, dated 17th July 1866, No. 4,894.

Read the following letter from the Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 29th May 1866, No. 86 :—

1. I have the honor to submit, for sanction, the accompanying estimate, prepared by the Engineer's Department, for re-roofing the Travellers' Bungalow at this station, amounting to Rupees 1,150.

2. The allotment for repairs to Public Bungalows in this District is no more than Rupees 203, as apportioned by the Superintending Engineer of this Division out of Rupees 1,403, sanctioned by Government for the Seventh Division in their Order, dated the 20th April last, No. 1,241; and it is, also, unnecessary for me to observe, that the present apportionment is absurdly below even the actual requirement for ordinary monsoon repairs. I am, therefore, very doubtful whether the work now pointed out can be carried out during the present year. The proposed renewal of the roof is doubtless very necessary, but I think it may be deferred for another year, if funds are not available in this.

ENCLOSURE No. 1.—Estimate.

The estimate will be submitted to the Secretary to Government, Department of Public Works.
