Proceedings of the Madras Government, Revenue Department,
20th July 1866.

No. 405. Read the following letter from the Collector of Ganjam, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chetterpore, 10th July 1866, No. 1,631 :—

1. I am this day forwarding to Colonel Pears a tender, on the part of a newly formed Company, originated by the Salt Deputy Collector, Diddy Nursinga Row, for the mail service between Chicacole and this place by cart. When the gap in the communications between Chicacole and Vizagapatam is filled up by a good road, the operations of the Company will extend as far south as Rajahmundry. Our trunk road is completed to the Bengal frontier, a distance of about 27 miles; but there is no office beyond this at which the wallets could be shifted from the mail cart to runners, so that until the completion of the line to Cuttack enables us to include the interval in our scheme, Chetterpore will be the northern terminus of the mail cart line.

2. The tender for the performance of the mail service will be duly considered, and brought to the notice of Government by the Post Master General ; my object in addressing the Government just now is to ascertain whether public servants in the District are at liberty to take shares in the Company, and, secondly, to suggest that the portions of the trunk road which require completion, between this place and Vizagapatam, may be recommended for the early attention of the Department Public Works.

No. 406. ORDER THEREON, 20th July 1866, No. 1,812.

Miscellaneous.

1. The Government see no objection to public servants taking shares in the Mail Cart Company, on the understanding that they must not interfere in the management.

2. The question of the repair of the trunk road will be considered in the Public Works Department.
