No. 406. Read the following Proceedings of the Board of Revenue, dated 7th July 1866, No. 4,640:—

Read the following letter from the Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 20th June 1866, No. 213.

1. With reference to the Orders of Government, dated 30th January and 8th February 1865, Nos. 158 and 364 respectively, sanctioning the estimate, amounting to Rupees 10,000, for constructing a new Táluq Cutcherry at Dachapillay, for the Tahsildar of Palnad Táluq, I have the honor to inform you that the work not having been commenced up to this time, the Tahsildar is put to much inconvenience, owing to the present building having become so much dilapidated, that it is quite impossible to hold his office in it.

2. The Superintending Engineer, whom I addressed on the subject, has informed me that the new Cutcherry has been yearly entered in the Budget allotment proposed by his office, and has been struck out by Government owing to the great pressure for money on other more important objects.

3. As the construction of the building at once is urgently necessary, I request the Board will be pleased to apply to Government to allot funds for the same from any available source.

Submitted for the orders of Government, in the Public Works Department. The necessity for the building appears to be undoubted.

No. 407. ORDER THEREON, 18th July 1866, No. 2,267.

ACCOUNT, No. 47.

The Government regret that they have no funds at their disposal for appropriation to the Táluq Cutcherry at Dachapillay in the Kistna District; but if the assignment for 1867-68 will admit of it the work will be provided for in that year's Budget.
