Proceedings of the Madras Government, Revenue Department,
20th July 1866.

No. 437. Read the following Proceedings of the Board of Revenue, dated 17th July 1866, No. 4,895.

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 11th June 1866, No. 155 :—

1. I have the honor to forward (by banghy) two Title Deeds, in duplicate, for two pieces of land purchased by public auction by the parties named in the margin, under the rules for the sale of waste land on the Neilgherries, passed by the Governor in Council, under date the 6th March 1863, and numbered 478A, and to request that they may be returned to me with the seal of Government affixed.

Mr. W. G. Wait, at Coonoor, Acres 8·24.
Colonel F. Young, at Coonoor, Acres 3·84.

2. The cost of survey and demarcation of the land bought by Mr. Wait came up to Rupees 12-3-0, while that of Colonel Young's land amounted to Rupees 12-5-3. These sums were taken as the upset prices, and the two lots were knocked down to the above gentlemen for 13 Rupees each, as shewn in the Title Deeds. The Board will observe that the clear gain to Government is 13 Annas in one case, while, in the other, it amounts to Annas 10-9.

3. As, under the late orders of the Board, the purchasers are required to have their Deeds registered in the Registrar's Office under Act XX. of 1866, it is necessary that the Deeds now submitted, as well as those to be submitted hereafter, should be returned with the seal of Government as early as practicable, to enable the parties concerned to conform to the provisions of the law within the prescribed time.

Enclosures Nos. 1 and 2.—Title Deeds in duplicate.

1. Ordered that the two Title Deeds, in duplicate, received with the above letter, be submitted for the seal of Government, inaccordance with Rule V. of the "Subsidiary instructions relating to the sale of assessed waste on the Neilgherries, Shervaroys, and in the Wynaad," recorded in the Proceedings of Government, No. 1,208, dated 6th July 1863.

2. The Collector will be requested to attest with his initials the interlineation of the word "three," which occurs after the tenth line in one of the copies of the Deed No. 76, when he receives the Deed with the Government Seal stamped on it.

No. 438. Order thereon, 20th July 1866, No. 1,828.

1. Ordered that the Deeds be sealed and returned.

2. The name of the purchaser, which has been omitted in the twelfth line in one of the copies of Deed No. 75, should be duly entered therein, and the Collector's initials attached to the entry.
