20th July 1866.

No. 449. Read the following Proceedings of the Board of Revenue, dated 4th July 1866, No. 4,530.

Read the following Proceedings of the Madras Government, dated 22nd May 1866, No. 1,218, Revenue Department:—

ABSTRACT.—Calling for further information on certain points connected with the District Survey Establishments.

---

1. The Board doubt the propriety of levying any fee at all when unsurveyed land is taken up by Ryots. It has never been usual to do so, and if such a charge be justifiable, there would appear to be no reason why a similar charge should not be made for surveying all the lands in occupancy.

2. The corrections resulting from, and the exactitude of, a scientific survey are required, not for the benefit of the Ryot, but of the State; and the former is generally content with the Curnum's survey.
