Requires confirmation, with reference to Financial Resolution of the Government of India, dated 15th November 1860, No. 11,322.	5. This forest was hitherto claimed by certain village Cavilgars, but recent enquiries shewed that their claim was unfounded. The tract, which is 20 miles long and 15 broad, contains a great deal of good timber, and it has now been made over to the Forest Department for conservancy, for which purpose this Establishment is required.
