4. In the subjoined Statement are given the ages of the minor and his brothers and sisters by the same mother. Subbamma Garu engages to send the minor and her next eldest son to the Zillah School at Chittoor on the 15th July. Her other children she proposes to keep at home with their private Tutor, who is well recommended by the Head Master of the Chittoor Zillah School, where he received his education.

5. As required in my letter, the widow nominates separate persons as guardian and manager, although at the same time she repeats her request that she may, under Section 3 of Regulation, be permitted to combine both offices in her own

person. This latter is a point for the consideration of the Court of Wards, but her nominations otherwise appear to me unobjectionable.

6. Mudduramappa Nayanivaru, whom she names as guardian, is a man of fifty-two years of age, and an uncle of the minor. I beg, under Section 21 of the Regulation, to recommend that this nomination be approved. The widow proposes that the allowance of Rupees 23-10-0, which her nominee now enjoys as a member of the family, be raised to Rupees 30, so long as he exercises the functions of guardian to her minor son. This arrangement may, I think, likewise be accepted.

7. For the post of manager, Subbamma Garu names Subbia, a Bramin of forty years of age, who has been on the Polliem Establishment for the last twenty years, and enjoyed the late Poligar's confidence as his principal adviser. His salary as Dewan has hitherto been only Rupees 10 per mensem, but he has held in addition a grant of land, assessed at Rupees 55-1-6 per annum. The widow proposes to raise this stipend to Rupees 17-8-0 per mensem; but I would recommend that the salary of the post should be fixed at Rupees 35 per mensem during the heir's minority.

8. Believing that the Board have now before them all the information which they will require, I beg to be favored with their instructions as to assuming charge of the estate as local representative of the Board of Revenue in its capacity of Court of Wards.

Abstract.—List of movable and immovable property belonging to the Bungari Polliem.

Enclosure No. 2.

Abstract.—Translation of an Arzi addressed to the Collector by Subbamma Garu, mother and guardian of the minor Poligar of Bungari.

1. The foregoing letter will be submitted to Government, with reference to paragraph 4 of their Order, dated 1st May 1866, No. 1,022.

2. The Court of Wards sanction the nominations to the posts of Guardian and Manager of the Estate, and approve of the proposed arrangements for the education of the minor and his brothers. The Collector should, however, submit proposals for the expenditure to be incurred in establishment and maintenance, with information as to the net annual income likely to be available to the minor.
