Proceedings of the Madras Government, Public Works Department, 21st July 1866.

No. 489. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 13th July 1866, No. 1,094:—

I have the honor to observe, that in the Local Fund Budget of the current year no provision is made for Petty Establishments to be employed from Local Funds laid out by the Public Works Department. In paragraph 5 of G. O. 13th March 1866, No. 832, it is remarked that due provision should be made for such Establishments in future Budgets by the Board of Revenue and the Director of Public Instruction, but as the Budget of the current year was then before Government, the above Departments did not take any steps for obtaining sanction for a like grant for the current year. I request Government will be pleased to authorize this Office to pass bills for the Petty Local Works Establishments, as they may be presented here for audit, to the extent authorized for the past year, pending the submission, by the Board of Revenue and the Director of Public Instruction, of the Statements of Establishment required for this year for the Local Fund works in the Budget, and for such additional works as may be proposed for execution in 1866-67.

Vide G. O. in the Revenue Department, No. 318; dated 6th February 1866, in G. O. Public Works Department, dated 6th April 1866, No. 1,064.

No. 490. ORDER THEREON, 21st July 1866, No. 2,305.
