Proceedings of the Madras Government, Revenue Department, 30th July 1866.

No. 558. Read the following Proceedings of the Board of Revenue, dated 19th July 1866, No. 4,942.

Read the following letter from the Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Sydapett, 7th July 1866, No. 209 :—

1. With reference to the Board's Proceedings, dated the 28th February last, No. 1,187, and the Order of Government, dated the 12th idem, No. 368, I have the honor to state that all the buildings, referred to in the list appended to those Proceedings, with the exception of a Tannah situated on the bank of the Palar river, at Chingleput, can be sold at once. The said Tannah will be useful to the Department of Public Works in case the Government should determine to build a bridge across the river, and, therefore, the Assistant Engineer, Mr. Leggatt, is willing to take charge of it.

2. The other two Tannahs, not being required by any Department, the Sub-Collector proposes to put them up to auction, at an upset price of Rupees 50 each. The Taluk Catcherry at Nagalapuram also not being required, I propose to put it up at an upset price of 150 Rupees.

---

1. The Board approve of the buildings referred to in the foregoing letter being put up to public auction, at the upset prices recommended by the Collector, with the exception of the Tannah on the bank of the Palar at Chingleput, stated to be required by the Public Works Department.

2. The Board observe that the Tannahs are valued at 225 Rupees each in the Accountant General's list, whereas the upset price proposed by the Sub-Collector is only 50 Rupees each. The Collector will, however, report the result of the sales for eventual communication to Government.
