Proceedings of the Madras Government, Revenue Department,
31st *July* 1866.

No. 576. Read the following Proceedings of the Board of Revenue, dated 19th July 1866, No. 4,946.

Read the following letter from the Collector of Vizagapatam, to the Acting Secretary to the Board of Revenue, dated 4th July 1866, No. 526 :—

1. It will be seen from the Board's Proceedings, No. 6,902, of 3rd November 1863, that a plan and estimate for the construction of the Cutcherry of the Tahsildar of Sarvasiddhi, at Yellamanchili, have been for two and half years before Government. Meanwhile a thatched shed has been temporarily used as an office. Recently, however, this building has been much damaged, and nearly blown down by high winds, so that the Tahsildar has been obliged to remove the records into the verandah of his own house, there being no suitable premises available for hire.

2. The shed will, of course, be repaired under an emergent estimate, but if funds could be found for the Cutcherry, it would be a great convenience.

Submitted for the orders of Government. The urgent need of the new Tahsildar's Office at Yellamanchili is made quite evident in the Collector's letter.

No. 577. ORDER THEREON, 31st July 1866, No. 1,898.
