No. 580. Read the following Proceedings of the Board of Revenue, dated 19th July 1866, No. 4,943.

Read the following letter from the Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 17th May 1866, No. 150:—

With reference to paragraph 6 of the Order of Government, dated 6th February last, No. 318, embodied in the Board's Proceedings of the 10th ultimo, No. 2,433, I have the honor to report that, owing to there being no funds available in the Imperial Grant of 1865-66, to meet the cost* of setting up a Mill to be worked by a water-wheel at Nedumole, which was sanctioned by the Government in their Order, dated 27th October 1865, No. 3,239, the Superintending Engineer requested the late Acting Collector to advance that sum from the Local Funds, on condition of re-payment in the current official year from Imperial Funds. The money was, accordingly, placed to the credit of the Officer in charge of the Seventh Range. When it is repaid, it will again be carried to the credit of the District Road Fund.

* Rupees 1,270.

Ordered to be submitted to Government, with reference to paragraph 6 of their Order, dated 6th February 1866, No. 318. Under the circumstances stated by the Collector, the sum of Rupees 1,270 for working the Mill, should not have been entered by him in the Budget for 1866-67. It should have properly been entered as an item of receipt from the Imperial Funds. The Collector will report whether the sum in question has been recovered and credited in the accounts of the District Road Fund.
