*Proceedings of the Madras Government, Revenue Department,
23rd January 1866.*

No. 376. Read the following letter from the Officiating Director of Revenue Settlement, to the Secretary to Government, Revenue Department, dated Madras, 14th December 1865, No. 1,549-48:—

I have the honor to submit herewith the Budget Estimate of the Revenue Settlement Department for the Official year 1866-67. Although, under the Orders of Government, transferring the Settlement of future Districts to the Collectors, and their Demarcation to the Survey Department, there will be eventually a large reduction in the Establishments employed, and consequently in the expenditure incurred by this Department, much yet remains to be done, and operations are still

in progress in the seven Districts marginally noted. Under these circumstances, I have not considered it safe to reduce my Estimate below the amount necessary for the Office Establishments of three Settlement Parties and the Field Estab-

lishments of *Depot* *Depot*, and I trust the Government will not object to pass the Budget amounting to Rupees 35,190. The provision made for printing the Settlement registers is not more than will be required, as this work will have to be executed for portions of three Districts.

No. 191. ORDER THEREON, 23rd January 1866. No. 191.

Miscellaneous.

1. With this letter, the Officiating Director of Revenue Settlement submitted his Budget of Charges for 1866-67. The Estimate amounts to Rs. 3,75,190 against Rupees 4,25,000, the sanctioned Budget for 1865-66—the actual expenditure in 1864-65 having been Rupees 3,41,092. With the addition of the transfer from the Budget of the Revenue Board, of Rupees 50,000, the cost of the establishments to be employed in Nellore and Tinnevely Districts, the total estimate for the Settlement Department, will be Rupees 4,25,200, or nearly the same as the Budget for the current year.

2. Mr. Master explains, that although, under the recent arrangements, there will be a large reduction eventually in the establishments employed, till much remains to be done. The Government admit this; but they consider that Mr. Master has somewhat over-rated the requirements of his Department.

3. In Trichinopoly, the Settlement has been completed and introduced. The Kistna and Godavery Settlements are now being brought into operation, and the work remaining to be finished in Coimbatore and Tinnevely must be trifling. The Government consider, therefore, that a reduction of Rupees 50,190 may safely be made in Mr. Master's Estimate. The charges for the Central Office are set

No. 191. ORDER THEREON, 23rd January 1866.

Miscellaneous.

1. With this letter, the Officiating Director of Revenue Settlement submitted his Budget of Charges for 1866-67. The Estimate amounts to Rs. 3,75,190 against Rupees 4,25,000, the sanctioned Budget for 1865-66—the actual expenditure in 1864-65 having been Rupees 3,41,092. With the addition of the transfer from the Budget of the Revenue Board, of Rupees 50,000, the cost of the establishments to be employed in Nellore and Tinnevely Districts, the total estimate for the Settlement Department, will be Rupees 4,25,200, or nearly the same as the Budget for the current year.

2. Mr. Master explains, that although, under the recent arrangements, there will be a large reduction eventually in the establishments employed, till much remains to be done. The Government admit this; but they consider that Mr. Master has somewhat over-rated the requirements of his Department.

3. In Trichinopoly, the Settlement has been completed and introduced. The Kistna and Godavery Settlements are now being brought into operation, and the work remaining to be finished in Coimbatore and Tinnevely must be trifling. The Government consider, therefore, that a reduction of Rupees 50,190 may safely be made in Mr. Master's Estimate. The charges for the Central Office are set

down at Rupees 58,206, being, in fact, the same as those estimated* for the current year less the reduction since made in the pay of the Director himself. The Government consider a grant of Rupees 50,000 quite sufficient. The office of Second Uncovenanted Assistant on Rupees 3,000, now vacant, need not be filled up—Rupees 1,000 for "Saderwarid and

Contingencies," Rupees 200 for "Temporary Establishment," and Rupees 2,560 for Travelling Allowances should be sufficient; and in regard to the other items the regular Estimate of the current year is the safest guide. These alterations will reduce the amount under this head to Rupees 50,000.

4. The charges for Deputy Directors, their Establishments, &c., are set down at Rupees 3,16,984, being calculated on the supposition of three Parties being requisite. The regular Estimate of the current year, after deducting 36,816 Rupees for the Party provided for in it but not required next year, amounts to Rupees 3,15,267. The Government consider that Rupees 2,75,000 will be a sufficient provision for 1866-67, independent of the sum of Rupees 50,000 transferred from the Budget of the Revenue Board for the Settlement of the Nellore and Tinnevely Districts in which this operation is to be conducted by the Collectors.

5. Under the head of "Deputy Directors" Mr. Master has provided for three Officers during the whole year, which will be sufficient, however, to provide for two during the year, and for the third in the Kistna Settlement during four months. The entry for the year may therefore be reduced from Rupees 48,400 to Rupees 38,800. For the same reason, the fixed Tentage Allowance may be reduced from Rupees 3,150 to Rupees 2,450. There is no necessity for providing for Probationary Assistants, and the sum of Rupees 4,800, may be struck out.

6. Under the head of Classification and Demarcation Establishment Mr. Master has entered a sum of Rupees 1,07,160 against Rupees 98,850, the regular Estimate of the current year, although he purposes employing 240 fewer hands. The Government consider an allowance of Rupees 85,000 sufficient, distributed as shown in the margin.

Clerks 50 to 300 Rs. p. mensem...	1,00,000
Do. below 50	60,000
Servants	13,000
Contingencies	2,000

Deputy Director	7,000
Do. Establishment	5,000

7. The entry for Travelling Allowance to Deputy Directors and their Establishments may be reduced from Rupees 14,748 to Rupees 12,000, and the provision of Rupees 35,000 for printing the Registers may be reduced to Rupees 33,000.

8. The entire Budget will thus stand at Rupees 3,25,000, or, including the allotment of Rupees 50,000 for Nellore and Tinnevely, at Rupees 3,75,000, which sum is accordingly passed.
