No. 612 ORDER THEREON, 26th July 1866, No. 2,365.

CIVIL WORKS, No. 89.

1. Communicated to the Superintending Engineer of the 6th Division, who will take measures for pushing on the construction of the Vedarniem Canal with the utmost practicable rapidity.

2. The Government are unable to make any special appropriation of funds, but the work being of emergency, and it being necessary that the present working season should not only be taken full advantage of, but that the means of employment should be furnished to relieve the destitution which prevails amongst the people, owing to the lateness and scantiness of the rains in the eastern part of the Tanjore District, the Superintending Engineer will find the necessary funds from his general allotment pending an assignment for the same which will be made from savings later in the year.
