PROCEEDINGS OF THE MADRAS GOVERNMENT.

[illegible] the following letter:—

From the Quarter Master General, Head Quarters, Ootacamund, 6th July 1866 No. $\frac{309}{6138}$; to the Secretary to Government, Military Department, Fort Saint George.

With reference to Order of Government, No. 778, dated 28th February last, I have the honor, by desire of His Excellency the Commander-in-Chief, to report that, after communicating with the Civil and Military Authorities and the Superintending Engineer of the Division, it has been ascertained that the most suitable site for a Rest house on the road from Bellary to Kurnool is Billacul, which is 49½ miles from Bellary.

2. A copy of the Proceedings of Government, No. 778, was sent to the Officer Commanding Hyderabad Subsidiary Force, with a request that he would report where the Rest houses between Kurnool and Secunderabad should be erected.

3. Brigadier General Grant communicated with the Resident, and that Officer recommended Cota Cota and Ballanugger as the best sites. He at the same time sent a copy of a letter of instructions issued to the Public Works Department, directing materials to be collected at those places, and inquired if the Commander-in-Chief approved of the sites named. The Resident also intimated that the Bungalows hitherto used as Rest houses could not be given over permanently for that purpose.

4. The Commander-in-Chief's approval of the sites was duly communicated, through the Officer Commanding Hyderabad Subsidiary Force.

5. I am now to solicit that orders may be issued in the Public Works Department, for the prosecution of the work at Kurnool and Billacul, in anticipation of the plan and estimate being sanctioned. A site at each place shall be pointed out by the Military Authorities, in communication with the Medical Department.

6. The plan of the Jollerpet Rest house should be adopted as the standard plan.

7. A copy of that plan has been forwarded to the Resident at Hyderabad at his request, as that most approved.

8. The Superintendent of Telegraph, Madras Circle, has applied for the Rest house at Beizwarrah, the building in use with his Department there having been much injured in the cyclone, and not since repaired.

9. Orders have been given for its being made over to him accordingly. I am to request the approval of Government to those orders, and also their sanction to the buildings being struck off the Returns of this Department.

10. Orders are requested regarding the disposal of the Shair Mahomed Pettah Rest house. No application has been made for it to this Department.

11. The Resident ordered in March last, that the two Rest houses in the Hyderabad territory, should be at once demolished.

ORDER, No. 2600, 25th July 1866.

Ordered to be communicated to the Public Works Department, in view to the necessary instructions being issued on paragraphs 5 and 6 of the letter above recorded.

2. Paragraph 10 of the Quarter Master General's letter will be referred to the Judicial and Revenue Departments, that it may be ascertained whether the Rest house at Shair Mahomed Pettah is required in either of those Departments.

3. The subject of paragraphs 8 and 9 has been disposed* of—The building will be struck off the Returns.
