With reference to the 2nd paragraph of the Proceedings of Government, in the Revenue Department, No. 1,507, dated the 20th ultimo, which ruled that certain charges connected with the Inám Commission, which were not provided for in the Budget Estimate for the current year, should be defrayed from the undrawn salary of the Inám Commissioner, I have the honor to submit that, as the Inám Commissioner's is a gazetted appointment, the savings therefrom cannot be appropriated, except with the sanction of the Government of India.—Vide paragraph 4 of Financial Resolution, No. 1,739, dated 12th August 1864. I have to remark, however, that pending the result of the application made to the Supreme Government for the grant of the full amount originally estimated for 1866-67 on account of the Inám Commission, the charges in question may be paid from the general grant under "4, Land Revenue."
