Proceedings of the Madras Government, Public Works Department,
30th July 1866.

No. 658. Read the following Endorsement of the Superintending Engineer, 1st Division, dated Camp, Dowlaishwaram, 10th July 1866, No. 59 :—

Read the following letter from the Collector of Ganjam, to the Executive Engineer, Berhampore, dated Chetterpore, 29th June 1866, No. 1,453.

I have the honor to enclose an estimate for the repair of the Gopalpore causeway, crossing the paddy fields in the direct line between this and the port. Hitherto this road has been maintained in tolerable repair out of the "Discretionary allowance," but is now becoming almost impassable though still much used by bandies, the distance being three to four miles less than the other road. The estimate is designed to give employment to the poor, and I have already set 112 people to work on it this morning. I shall be much obliged by your sending it on for early sanction.

P. S.—Telegram from Acting Secretary to Government, Madras, to Collector, Chetterpore.

Service paid.

Your letter number one thousand two hundred seven of eleventh June, paragraph five. You may spend at discretion Rupees fifteen thousand on employment of poor pending submission of detailed scheme, preference to be given to construction and repair of minor irrigation works.

With reference to the above Telegram I propose that the work be paid for out of the amount sanctioned.

Submitted to Government for sanction, with reference to the Postscript to the accompanying letter from the Collector of Ganjam to Captain Darrah.
