Proceedings of the Madras Government, Public Works Department,
30th July 1866.

No. 671. Read the following Proceedings of the Board of Revenue, dated 19th July 1866, No. 4,931.

Read the following letter from the Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Cuttiwak, 7th June 1866, No. 168 :—

With reference to the Board's Standing Circular, No. LXXXV. of the 16th November 1865, calling for an annual report on the progress made in improving the salt roads, I have the honor to state that the only salt road that exists in this District is the one from Cheyur to Chotapakum. This road was completed only last year, but the heavy rains of November caused much damage to it, and it has been since repaired. Mr. Smith, the Salt Deputy Collector, has now applied to have it gravelled, and I have, therefore, called upon the Department of Public Works to frame estimates, &c.

1. Ordered to be submitted to Government in the Public Works Department, with reference to paragraph 53 of their Proceedings in the Revenue Department, dated 2nd October 1865, No. 2,379.

2. The attention of the Collector will be drawn to the other salt roads which have been approved for construction in his District, viz. :—

Road from Chunambet northwards, to join that between Cheyur and Chotapakum, approved in Board's Proceedings, 20th June 1865, No. 3,340.

Road from Kelambakam to Chingleput, to be ultimately carried to Wandiwash.—*Vide* Board's Proceedings, 29th September 1865, No. 6,151, paragraph 3.
