*Proceedings of the Madras Government, Revenue Department,
6th August 1866.*

No. 111. Read the following Proceedings of the Board of Revenue, dated 19th July 1866, No. 4,937.

Read the following letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated on circuit at Voilpad, 6th April 1866, No. 49 :—

With reference to the Board's Official Memorandum of the 3rd August 1865, No. 700, and 17th February 1866,

In Board's Standing Circular, No. II., (Board No. 164, I have the honor to submit a No. 155,) dated 12th January 1863. Statement of the extent to which the

Order of Government, dated 23rd December 1862, No. 2,073, has operated in surrendering the ruined tanks to private enterprise during the last three Fuslies, and to state that the entries in the Statement, which I have submitted with my letter to your address of the 14th November 1865, No. 159, are incorrect, in consequence of misconstruction of the Order of Government on the part of several Tahsildars and the Sub-Collector's Serishtadar. I have issued the necessary orders to the several Tahsildars, and also requested the Sub-Collector to see that such mistakes should not occur hereafter in framing the returns to be submitted to the Board.
