Proceedings of the Madras Government, Revenue Department,
6th August 1866.

No. 116. Read the following letter from the Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Bangalore, 25th July 1866, No. 1,847 :—

I have the honor to acknowledge the receipt of your letter, No. 1,763, dated 17th instant, regarding the formation of fuel reserves, and to remark that, if it be considered necessary to establish one in the neighbourhood of Bangalore, it is to be apprehended that, irrespective of other difficulties, no suitable site will be found in the vicinity of that station. It is therefore, I consider, desirable to investigate the country carefully, and if, as I have reason to believe, no such site is available, owing to the extensive denudation of forests, which has prevailed for many years, it might be advisable to furnish Bangalore from the Denaikenkotta Talook.

No. 117. ORDER THEREON, 6th August 1866, No. 1,969.

Forests, No. 4.

Communicated to the Officiating Conservator of Forests, who will report on the Commissioner's final suggestion after communicating with the Collector of Salem.
