Read the following letter from the Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 25th June 1866, No. 112:—

1. With reference to Board's Standing Circular, No. LXXXV., dated the 16th November 1865, (Board No. 7,325,) calling for an annual report on the progress made in improving the salt roads in the District, I have the honor to report that, no funds being available for this purpose, nothing could be done in the matter during the past official year, with the exception of the opening of a short road, three yards wide, from one* of the coast depôts to the river, which was undertaken by the Deputy Collector in charge of the Salt Department, and which will have been completed by this time; the whole length of this road is 330 yards.

* Arebet Cotaur, in the Angalli Division.

2. I hope, however, to be able to report, in future, that several improvements have been effected during the current year, as, in the Salt Public Works Budget submitted for sanction for 1866-67, a sum of Rupees 3,000 has been included for opening some important approaches to the salt depôts in this District.

Submitted for the information of Government, with reference to paragraph 53 of their Revenue Proceedings, dated 2nd October 1865, No. 2,379.
