Proceedings of the Madras Government, Marine Department, 1st August 1866.

Read the following papers :—

No. 1. From the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, Fort Saint George ; dated Coimbatore, 4th July 1866, No. 69.

I have the honor to forward a list of Port Fund Works in the South Canara District, which remained incomplete on the 30th April last, for the prosecution of which funds are required during the current year.

2. To anticipate inquiry, I beg to state that the excess of expenditure over last year's allotment of Rupees 3500 has been caused by my own misapprehension of that part of G. O., in the Marine Department, No. 198, of 16th September 1865, which authorized a transfer of Rupees 5710 from Imperial to Port Funds. The money being available, it was well that it should be laid out at the best season of the year for such work ; and, but for my having mistaken a mere transfer for an allotment, I should have applied for an increase of the grant in good time.

3. I think the Annual Maintenance Allowance has been set down in the G. O. above quoted at Rupees 200, by mistake for Rupees 250, the sum recommended for sanction and entered in my list.

Referred to the Marine Department, with reference to the orders in that Department, No. 198, dated the 16th September 1865.

Secretary to Government, D. P. W.

Fort Saint George,

Referred to the Superintendent of Marine, for his remarks.

(Signed) W. HUDLESTON,
Ag. Secretary to Government.

11th July 1866.

No. 2. From the Superintendent of Marine, to the Acting Chief Secretary to Government, Fort Saint George ; dated Madras, 20th July 1866, No. 2816.

I have the honor to return the letter from the Superintending Engineer, 7th Division, of the 4th instant, No. 69, to the Secretary to Government, P. W. D., forwarding list of port works for which funds are required during the current official year, and to state that there is no objection to the transfer of the amounts shown in the list from the Mangalore Port Fund, which has been augmented by the proceeds of sale of land reclaimed, and which is consequently in a condition to bear the expense.

2. The annual maintenance allowance for repairing the new quay is 250, not 200 Rupees.

No. 3. ORDER THEREON, 1st August 1866, No. 181.

The Governor in Council sanctions a grant from the Mangalore Port Fund of Rupees (9448) nine thousand four hundred and forty-eight, for completing the works described in the list submitted with the letter from the Superintending Engineer, 7th Division.

2. Rupees (250) two hundred and fifty, per annum, in lieu of Rupees 200, will, as proposed, be defrayed from the same source for the maintenance and repair of the Mangalore Quay.
