Proceedings of the Madras Government, Revenue Department,
7th August 1866.

No. 167. Read the following Proceedings of the Madras Government in the Public Works Department:—

Sanctioning estimate for constructing a branch line of road between the Berhampoor and Itchapoor, and the Berhampoor and Aska roads in Ganjam District. } (Here enter 2nd August 1866, No. 2,438.)

No. 168. ORDER THEREON, 7th August 1866, No. 1,986.

Miscellaneous.

Communicated to the Board of Revenue.

(True Extract.)

(Signed) J. GROSE,
Under Secretary to Government.

To the Board of Revenue, with Proceedings, Public Works Department, No. 2,438.

Exd. T. Cartledge.

No. 41. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp Dowlaishweram, 20th July 1866, No. 61:—

1 General Abstract Estimate.
1 Details of Masonry work.

1. I have the honor to submit, for the sanction of Government, an estimate* for constructing a loop road to the west of the Town of Berhampoor for the advantage of carts, &c., going between Aska to Itchapoor, as well as of the Cantonment and Town of Berhampoor, the former will be saved 1,500 yards of detour, the latter will be relieved of the throng of bandies and pack bullocks which, during the season of salt sales (the dry and unhealthy months), is very great.

* Rupees 5,535.

2. The estimate is countersigned by the Collector. I believe it is intended to defray the cost of the work (or at any rate the earthwork and all that can be done by common coolies) out of certain special famine grants which, I understand, have been sanctioned by Government; for the masonry, amounting to only Rupees 1,381, an ordinary Public Works Budget grant will be required.

No. 42. ORDER THEREON, 2nd August 1866, No. 2,438.

CIVIL WORKS, No. 4.

1. The Government sanction the estimate of Rupees 5,535 submitted with this letter for constructing a branch line of road between the Berhampoor and Itchapoor, and the Berhampoor and Aska roads in the Ganjam District.

*Rupees 4,154.

2. The cost* of the earthwork will be met from the famine grant as proposed, and the Superintending Engineer will arrange for providing the sum of Rs. 1,381 for masonry works from the funds at his disposal, reporting to Government what transfers will in consequence be necessary.

(True Extract.)
