*Proceedings of the Madras Government, Revenue Department,
8th August 1866.*

No. 174. Read the following Proceedings of the Board of Revenue, dated 26th July 1866, No. 5,159.

Read again letter from the Collector of the Kistna District, dated 22nd May 1866,
No. 156, recorded in Board's Proceedings of 13th June 1866, No. 4,054.

Read also the following letter from the Acting Collector of the Kistna District, to the Board of Revenue, dated 11th September, 1866, No. 230:—

1. With reference to the Board's Proceedings of the 13th ultimo, No. 4,054, I have the honor to inform you that, on reference to the records of the four Inam cases, referred to in the Statement which accompanied Mr. Thornhill's letter of the 22nd May last, No. 156, it is clear that the Ryots have voluntarily consented to give up a portion of their Puttah lands to the Inamdars, and gave relinquishment reports for the same.

2. I do not know whether the Ryots have received from the Inamdars any equivalent for these lands, because both parties have entered into private arrangements, and effected the relinquishment of lands, as appears from the Kyfeyets of the Ryots forwarded with the Tahsildar's Report.

Ordered that the foregoing letters be submitted to Government, with the Board's recommendation that the 8 Acres and 16½ Guntas of land, assessed at Rs. 13-1-5, which the Inamdars have obtained from certain Ryots, be ~~recognized~~ as Inam for the future, in exchange for the 9 Acres and 24 Guntas of equal value taken from the Inamdars for public purposes.

No. 175. ORDER THEREON, 8th August 1866, No. 1,990.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th June 1866.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 22nd May 1866, No. 156:—

1. I have the honor to forward, herewith, a Statement showing the extent of Inam lands taken up for Public Works in Fuslies 1268 and 1272, and to inform you that compensation for the loss of produce of past Fuslies has already been granted, and that at the same time, orders were also issued to the Tahsildars of the Taluks to assign to the Inamdars, from the Government waste, lands equivalent to the value of those destroyed by the channels, &c.

2. As there were no available waste lands in the Government villages entered in column No 12 of the said Statement, the Inamdars were required to make arrangements with Ryots in their villages to give up from their holdings equivalent extent of lands in lieu of those occupied by the channels.

3. After the issue of repeated notices, the Inamdars have now come forward, having arranged with the Government Ryots enumerated in column 13 of the Statement, and have agreed to relinquish their holdings consisting of Acres 8 and Guntas 16½ of dry land. The assessment thereof is Rupees 13-1-5, which is equal to the assessment of the lands occupied by the channels. The Inamdars will pay quit-rent on the whole extent of the Inam lands, including the newly assigned portions.

4. Under these circumstances, I request the Board will be pleased to obtain the sanction of the Government for the transfer of the Government land to the head of the "Inam," and to deduct the same from the Ryots' holdings, with the assessment thereof.
