Proceedings of the Madras Government, Revenue Department,
8th August 1866.

No. 189. Read the following Proceedings of the Board of Revenue, dated 23rd July 1866, No. 5057 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 30th June 1866, No. 201.

1. Estimate for the road from Angadiprom to Wandur as far as Warampuram Angady, (District Road List, No. 41A,) with a plan for Rs...	18,000
2. Estimate for the road from the river at Warampuram to the junction with the road from Pandicad to Manjery (District Road List, No. 41 A.) for Rupees	748

1. I have the honor to forward for sanction the two District Road Fund Estimates noted.*

2. They have been duly countersigned by the Superintending Engineer and myself. They are headed as Estimates for repairs, but they are in fact new works, for they provide for construction of a new road, with new tunnels, &c., &c., which keeps the general direction of the old tract, but is very different from a mere repair thereof.

3. The estimates provide for two sections of the road entered under Item 112 in Part II. of the sanctioned Budget of 1866-67, and entered as No. 41A of the District Road List. It has, therefore, been deemed expedient to send them together, though the amount of one is above, and that of the other below, Rupees 2,000.

Enclosures Nos. 1 to 3.—Estimates, and a Plan.

The two estimates, amounting to Rupees 18,748, will be submitted for the sanction of Government. The Board observe that a sum of Rupees 7,300 is allotted for this work in the Budget for 1866-67.

No. 190. Order thereon, 8th August 1866, No. 1,998.

The estimates submitted with these Proceedings are sanctioned.
