No. 37. Read the following Proceedings of the Board of Revenue, dated 16th December 1865, No. 8,063.

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 4th December 1865, No. 268 :—

1. I have the honor to forward a Title Deed* in duplicate in Form X. for a piece of land at Coonoor, purchased by Mr. E. Smith under the Rules passed in the Government Order of 6th March 1863, No. 478A, and to request that the same may be returned to me with the seal of Government affixed.

* Sent by Banghy.

2. The estimated area of land applied for by Mr. Smith, and declared at the time of sale in March 1864, was seven acres, and the highest bid for which it was knocked down was 30 Rupees; but on survey, which was lately made in June 1865, the lot was found to contain an area of acres 5·79, or 1·21 less than the extent sold; and under the terms of the notice issued for the sale of the land in question, a proportionate reduction in the auction-price would have been necessary on account of the deficiency, had it not been that the cost of the demarcation and survey came up to Rupees 31-11-5, and Mr. Smith, to meet this extra charge, paid an additional sum of two Rupees, thus raising the price of the lot to Rupees 32, as entered in the Deed.

3. The land consists of grass, and the assessment thereon has been charged at the rate of one Rupee per acre, as prescribed by the Rules.

Enclosure No. 1.—Title Deed, in Duplicate.

Ordered that the Deed be submitted for the seal of Government.

No. 38. Order thereon, 4th January 1866, No. 19.

Miscellaneous.

1. Ordered that the Deed be sealed and returned.

2. The roads forming the eastern and western boundaries of the land should be specified in the Schedule as well as in the Plan.

3. The places of residence of the witnesses should also be entered under their names, as required by the Rules.
