*Proceedings of the Madras Government, Revenue Department,
9th August 1866.*

No. 195. Read the following Proceedings of the Board of Revenue, dated 27th July 1866, No. 5,182 :—

Read the following letter from the Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 13th July 1866, No. 191.

I have the honor to forward, for the information of the Board, copy of a letter addressed by me to the Director of Public Instruction, on the subject of establishing a Talook School at Gudiatum, and to request that the proposition may have the Board's support and advocacy. If the Bungalow at Gudiatum, which has been ordered to be sold, cannot be given up for the use of the school, I beg that permission may be given me to take the building at the valuation fixed by the Public Works Department, viz., Rupees 260, for the above purpose.

ENCLOSURE No. 1.

From the Collector of North Arcot, to the Director of Public Instruction, dated Chittoor, 13th July 1866, No. 113.

1. I have the honor to inform you that the inhabitants of Gudiatum in this District are most desirous of having a school established in the town, and have already subscribed for this purpose Rupees 1000, and lodged the money in the hands of the Tahsildar of Gudiatum. The Travellers' Bungalow at Gudiatum being no longer wanted, will shortly be sold for what it will fetch at auction. It has been valued, by the Department of Public Works, at Rupees 260, and the site being good, and portions of building sound, it could, I think, be converted into a neat substantial school-house for a very moderate sum. The project of establishing a school was initiated by myself when at the place in the early part of the year, and as the people have since responded liberally, and Gudiatum itself is one of the largest and most influential towns in the District, it is very desirable that early action should be taken in the matter.

2. Having a strong personal interest in the success of the project, I have already written to the Board, asking them to move Government for permission to appropriate the building for the purposes to which I now propose to apply it. The valuation price might be taken as part of the grant-in-aid allotted in supplement of the amount raised by private subscription.

3. I beg, therefore, to press the project on your favorable consideration, and to request that you will make, at your earliest convenience, all preliminary arrangements for the establishment of a Talook School at Gudiatum on the model of the Wallajapeta Institution.

4. I feel certain that if a school be established there, with an efficient staff of masters, it would be one of the most successful and useful institutions of the kind in the District.

(True Copy.)

(Signed) J. D. ROBINSON,
Collector.

Submitted to Government, with the Board's recommendation that the Collector be authorized to dispose of the Bungalow at Gudiatum as a School House for the sum of Rupees 260, at which amount the building has been valued by the Department of Public Works.
