Proceedings of the Madras Government, Revenue Department,
9th August 1866.

No. 197. Read the following Proceedings of the Board of Revenue, dated 2nd August 1866, No. 5,289 :—

Read the following letter from the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 25th July 1866, No. 240.

1. With reference to the Board's Proceedings, No. 7,259, dated 13th November last, I have the honor to forward, herewith, a Memorandum showing the amount of work still remaining to be completed by the Inám Commission Department in the Government Talooks of the District.

2. From the remarks made by the Deputy Collector, Inám Commission, in some of the Registers furnished to him by the Village Curnums, it is apparent that a few of the Ináms are resumable, and that some have been excluded from the Inám Settlement. I received no instructions from the Inám Commissioner's Office, as to the course to be pursued by me, with regard to the resumable Ináms; and have, therefore, requested the Commissioner to let me know his opinion as to the resumption of these Ináms, and the grounds under which certain Ináms have been excluded from the Inám Settlement by the Deputy Collector.

3. Only a few of the orders issued by the Inám Commissioner to some of my Talook Officers, calling for certain information, remain unanswered, and they have been ordered to reply at once.

4. With respect to the amount of work to be completed by the Commissioner in the two large estates of Ramnad and Shevagungah, I beg to observe that I have desired the Zemindari of the former, and the Lessee of the latter, to send lists of all Inám cases, for which registers or title deeds, or both, have not been received, which lists they have promised to furnish as early as practicable. The Ináms in the two estates being very numerous, I do not think that the Zemindari and the Lessee will be able to send in the required lists before three months more.

5. The Ináms that are now under attachment, for non-appearance of the Inámdars, in the Government Talooks, are three in number, which will shortly be resumed with the permission of the Inám Commissioner, the holders thereof having failed to appear within the prescribed period.
