*Proceedings of the Madras Government, Revenue Department,
9th August 1866.*

No. 201. Read the following Proceedings of the Board of Revenue :—

Recommending that the Collector of Madras be directed to adopt Forms of Certificates for lands submitted by Government Solicitor in lieu of "New Form Certificates" of 1828; soliciting sanction for retention of Registration Department in the Collector's Office, and requesting that steps may be taken to procure the passing of an Act to legalize forcible entry for distraint of goods in default of payment of quit-rent.

(Here enter 17th July 1866, No. 4,896.)

No. 202. ORDER THEREON, 9th August 1866, No. 2,004.

Land Revenue.

1. The Governor in Council approves of the Forms of Deeds submitted by the Government Solicitor, with his letter dated 10th May 1866, No. 268, and directs their adoption in future.
2. The Registration Department in the Collector's office must evidently be kept up; but the Governor in Council would not, for the trifling sum involved, lessen the utility and value (to which the Government Solicitor bears such emphatic testimony) of the Collector's Registers and Maps, by adopting the limitation proposed in paragraphs 4 and 5 of the Government Solicitor's letter. The Board will, therefore, re-consider the reduction proposed by them in the Collector's establishment, as it seems very questionable whether the reduced office could satisfactorily and efficiently perform all the duties devolving on it. It will be necessary, as pointed out by the Registrar General of Assurances, for the Collector periodically to depute a person to his office to take note of transfers registered there, and not in the Collector's office.
3. Application will be made to the Government of India to amend the Madras Land Revenue Act in the manner indicated in paragraph 6 of the Board's Proceedings.
