*Proceedings of the Madras Government, Revenue Department,
9th August 1866.*

No. 221. Read the following Proceedings of the Board of Revenue, dated 1st August 1866, No. 5,276.

Read the following letter from the Acting Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 14th July 1866, No. 146:—

1. With reference to paragraphs 11 and 13 of the Order of Government, dated 1st ultimo, No. 1,348, I have the honor to submit, for the approval of the Board and Government, a revised Notification regarding the enhanced rate, which the Irrigation Company has been authorized to charge, for water supplied to ordinary and sugar-cane cultivation. The Notification should, I think, bear the signature of the Secretary to Government as before.

2. The information called for, in paragraphs 20 and 21 of the Order, will shortly be submitted.

3. The new rates are, I presume, to be charged from the commencement of this Fusly. I may remark, however, that this will be hardly fair to the people who registered their applications for water under the old rates.

NOTIFICATION.

1. It is hereby notified that, until further notice, the charge for the water, supplied by the Irrigation Company, will be Rupees 6 per acre for a single crop of paddy, and Rupees 12 per acre for sugar-cane irrigation.

2. This charge for water is in all cases additional to the dry assessment of the land watered.

3. The charge for water, supplied by the Irrigation Company for a second crop, will be hereafter notified.

4. It is to be distinctly understood, that the Government in no way pledge themselves that the charge for water supplied by the Irrigation Company, will not hereafter be increased.

5. The Government assessment on the land will, under no circumstances, be increased on account of the advantages which the land may derive from the supply of water.

6. This Notification supersedes all previous Notifications on the same subject.

(Signed) H. E. SULLIVAN,

Acting Collector.

Submitted for the early orders of Government, with reference to their Proceedings, under date 1st June 1866, No. 1,348.

No. 222. ORDER THEREON, 9th August 1866, No. 2,014.

Miscellaneous.

1. The Acting Collector will issue the Notification under his own signature, with the addition "by order of Government."

2. It is optional with the Ryots to take or decline water at the new rates, which will come into force in the current Fusly.
