2. The Superintendent asks for an advance of Rupees 2,800 for preparing the required materials, and sends a receipt for the amount. The receipt will be countersigned by the Board's Secretary, and returned to the Superintendent, who will send it to the Bank, and draw the amount.

3. Referring to the Order of Government, dated 19th April 1865, No. 808, the Board request that the Government will be pleased to instruct the Secretary and Treasurer of the Madras Bank to make advances, on the receipt of the Superintendent of the Government Printing Establishment, countersigned by the Board's Secretary, to an extent not exceeding Rupees 5,000 in the current year. This order appears necessary to avoid the issue of a Treasury Order by Government on the Bank, on each occasion of an advance being required. The advance made by the Bank may be debited to the Board, and the amount will be repaid to the Bank, by transfer receipts from Collectors, within the current official year.

4. As articles for each District are completed, the Superintendent will furnish the Board with a bill of the actual cost, that it may be forwarded to the Collector, and a transfer receipt obtained on the Bank for the amount. The Superintendent will take particular care to see that all the articles applied for by the Collectors are supplied to them by the end of February or March, and that the necessary Bills are prepared and sent as supply for each District is made, so that the advance drawn from the Bank may be repaid within 30th April 1866.

5. In his Memorandum above recorded, the Superintendent states that he does not understand certain items which are entered in the Collector's Indents, and requests information on the point. In such cases he should make the reference direct to the Collectors, and obtain the necessary explanation from them.

6. The foregoing Proceedings will be communicated to the Collectors concerned, in continuation of the Board's Proceedings, dated 16th October 1865, No. 6,566.
