Proceedings of the Madras Government, Public Works Department,
18th July 1866.

No. 408. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 28th June 1866, No. 571 A :—

1. I am directed to acknowledge receipt of your letter, No. 1,376, dated 30th April 1866, replying to the orders of the Government of India on the Madras Public Works Budget Estimate for 1866-67, and to inform you as follows.

2. The proposal made for the application of the unappropriated sum of Rupees 1,10,800 to the commencement of the project for water supply to the Town of Madras, will form the subject of separate communications.

3. In respect to the expensive nature of the establishments employed in taking up land for the Madras Irrigation and Canal Company, noticed in paragraph 26 of the Budget Orders, the Governor General in Council observes, from the papers submitted with your letter under reply, that the Deputy Collector, whose pay forms the principal item of these charges, is mainly employed on ordinary revenue duties. I am, therefore, to say that the Governor General in Council thinks the salary of that official cannot properly be passed in the Budget Estimates of the Public Works Department after the expiry of the current year, and that it is left to the Madras Government to arrange for his being kept on in the regular Revenue Department, if thought desirable, his pay being provided for in the Budget Estimate of that Department under due authority.

No. 409. ORDER THEREON, 18th July 1866, No. 2,268.

ACCOUNT, No. 48.

1. Communicated to the Controller of Public Works Accounts, with reference to the Orders of Government No. 1,375, dated the 30th April 1866.

2. Paragraph 2 will be communicated to the Revenue Department, with an intimation that the salary of the Deputy Collector employed in making over land to the Madras Irrigation and Canal Company in the Kurnool District will not be provided for in the Public Works Budget for the ensuing year.
