Proceedings of the Madras Government, Revenue Department, 10th August 1866.

No. 246. Read the following letter from J. W. B. MONEY, Esq., to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 3rd August 1866:—

1. I have the honor to acknowledge receipt of the Government Proceedings and Orders relative to Dhevah's Shola, dated respectively the 20th March and 2nd August 1866. I am now leaving Madras for Ootacamund, from whence, after making myself personally acquainted with the existing state of things, I shall submit to the Government such observations as I may have to make, till which time I beg that any further action may be suspended.

2. Meanwhile, if the Government would kindly order the Forest Department and the Lawrence Asylum Department to submit all questions between them and myself to the consideration of the Collector, before referring them to Government, I trust that the Collector might thus be able to settle many of the questions, which if left to grow into fixed disputes might lead to a painful collision between Government and myself, which I am most anxious to avoid.

No. 247. ORDER THEREON, 10th August 1866, No. 2,027.

Forests, No. 11.

Communicated to the Collector, who will place himself in communication with the Officiating Conservator of Forests and Mr. Money. The Government will not object to the proposal in paragraph 2, as a temporary arrangement, during Mr. Money's stay on the Hills.
