No. 254. Read the following Proceedings of the Government of India, Public Works Department, (Revenue—Forests), dated Simla, 18th July 1866, No. 275 F:—

Copy of the following Resolution forwarded to the Government of Madras, Revenue Department, for information, with reference to its Secretary's letter, No. 1,289, dated 1st June 1866.

By Order,

(Signed) C. H. DICKENS, Lieut.-Colonel, R. A.,
Secretary to the Government of India.

Government of India, Public Works Department, (Revenue—Forests), No. 254 F.
Establishments for certain Forests in Golcondah and Coimbatore.

Read again Financial Department Resolution, No. 887, dated 19th February 1866.
Read also letter (and its enclosures) from the Secretary to the Government of Madras, No. 1,289, dated 1st June 1866.

OBSERVATIONS.—Two distinct propositions are made by the Madras Government in the letters now read.

I.—Golcondah in Vizagapatam.

For the supervision of two well-wooded Talooks, bordering on the Lower Godavery, the continuance of a temporary* establishment, amounting to Rupees 99 per month, is requested for another year. This tentative measure of conservancy is controlled by the Principal Assistant to the Collector. The plan is well devised, and a report is to be submitted at the end of the year.

II.—Chenat Nair in Malabar, Bolumpully and Sholakurray in Coimbatore.

Permanent sanction is requested for the employment of an establishment† at a monthly cost of Rupees 120. The Coimbatore belts round the base of the Neilgherries, running into the Palghât gap, furnishes a large amount of timber and fuel to the Madras Railway, and cannot be efficiently supervised without this establishment, which is reasonable. The actual receipts of this sub-range have not been kept separate from the Anamallay range.

ORDER.—Ordered that these observations be forwarded to the Financial Department, with a recommendation that the temporary and permanent establishments referred to may be sanctioned.
