REMARKS.—The entire allowance of this Yeomiah, amounting to Rupees 177 per annum, was, under the sanction of Government, dated 23rd April 1819, communicated with Board's Secretary's letter, dated 6th May 1819, divided equally among five individuals as per margin, of whom Fatma Beebee and Mahashiba Beebee died in 1844. The allowance enjoyed by these two deceased female Yeomiahdars, viz., 70-12-8, were continued agreeably to Extract from Minutes of Consultation, dated 26th October 1844, communicated with the Board's Proceedings, dated 28th idem, in equal shares to the remaining three individuals.

Of the three individuals, among whom this entire allowance was divided, Khaja Mohodeen died eighteen years ago, and his allowance ceased; Mohomed Ghouse is still living. The other named Syed Mohomed, the individual as per column 5, died on the 11th December 1865, leaving a widow and a daughter, aged six months. As experience has shewn that a woman's interests are but ill-looked after by those who hold the office in her name, and draw the revenues thereof, and as the near heir in this case is only a nephew, I recommend

Yeomiahdar, and the nephew be appointed to do the duties of the office, or if he refuses, whomsoever the widow may nominate, and the arrears, amounting to Rs. 29-7-11, as per margin, may be disbursed to her.

From October 1865 to 31st March 1866.

The Sub-Magistrate of Arni, whose final report reached this office in last month, states that the Durgha is in good order, and that the service thereof have been performed by Syed Jallal, the nephew, ever since the death of the last incumbent. The delay arises partly from the Sub-Magistrate's dilatoriness, which will be noticed, and partly from the illness of the Deputy Collector. The reference from this office was made on 15th December 1865, and the reply received only 2nd February 1866.
