Proceedings of the Madras Government, Revenue Department,
11*th August* 1866.

No. 278. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 23rd July 1866, No. 1,056:—

1. I have the honor to submit, for the sanction of Government, Plan, Specification and Estimate, amounting to Rupees 735, for putting up two sky-lights to the Printing Office attached to the Collector's Cutcherry at Bellary.

2. The proposed work has met with the approval* of the Board of Revenue, but as there are no funds available from any source, I beg to submit the estimate for the orders of Government, as the work is very necessary as the Printing Office is very dark, and the only way of throwing light into it is by means of sky-lights.

* Proceedings No. 4,701 of 10th July 1866.

Referred to the Revenue Department. There are no funds available for appropriation to "Civil Buildings."

(Signed) CHARLES A. ORR, Colonel, R. E.,
