No. 288. Read the following letter from the Collector of Coimbatore, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 27th July 1866, No. 73:—

In pursuance of the Conservator of Forests, Dr. Cleghorn's request, conveyed in his letter of the 12th April 1865, No. 777, I have the honor to forward herewith a quantity of seeds of *Senna Mukki*,* weighing seventy-four Tolas, and a small quantity of its leaves for transmission to Australia. The delay in sending the seeds at an earlier date is due to the difficulty experienced in procuring them—the general want of rain have prevented the seeds from coming to maturity.

* Cassia obtusa of Botanists. Sent by banghy.
