*Proceedings of the Madras Government, Public Works Department,  
18th January 1866.*

No. 452. Read the following Endorsement of the Superintending Engineer,  
7th Division:—

Read the following letter from Deputy Commissary H. BAILEY, Sub-Engineer,  
to the Superintending Engineer, 7th Division, dated Calicut, 18th Decem-  
ber 1865, No. 514.

\* No. 3,421 of 18th November 1865.

With reference to the Proceedings  
of Government\* ordering the Quilandy  
Custom House to be carried out next year instead of this, I have the honor to in-  
form you that under the original order about Rupees 400 have been expended  
on materials, &c., and as some of them have been brought to the site, if  
now stopped a Watchman will have to be kept up. Under these circumstances I think it would be better to carry on  
season if possible.

Copy submitted for the information and orders of Government.  
Superintending Engineer's opinion that the work may better be completed  
with the Port funds available, and payment made after the 1st May 1866.

(Sign) G. W. WALKER, Lieut. Colonel, R. E.,  
Superintending Engineer, 7th Division.

No. 453. ORDER 18th January 1866, No. 217.

Division provides the requisite funds in his Statements of savings on all  
which should be laid before Government on the 1st March next.
