Proceedings of the Madras Government, Revenue Department,
11th August 1866.

No. 291. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th August 1866 :—

1. With reference to their Proceedings, dated 10th August 1866, No. ——, I am directed by the Board of Revenue to inform you, that in anticipation of a sufficient quantity of seed paddy not being procurable from the Districts of Madras, North Arcot, and Salem, the Cash-keeper of this Office was directed to obtain as much seed paddy as possible from the Ryots of the surrounding villages of Madras. Sixty mercals of paddy have been this day received by this means, and despatched to the Collector of Sea Customs, Madras, for shipment on the Steamer "Punjaub," which sails at 6 P. M. this evening. The Cash-keeper expects to be able to procure 200 mercals more of the seed by Monday evening next, which will be in time for the "Arracan," and I am, therefore, directed to request that Government will be pleased to issue a Treasury order on the Bank of Madras for Rupees 400, to enable me to defray the expenses incurred on the above account.

2. The Sub-Collector of North Arcot has reported that he is unable to procure any seed from the Ryots in his division.

No. 292. ORDER THEREON, 11th August 1866, No. 2,050.
