Proceedings of the Madras Government, Revenue Department,

16th August 1866.

No. 405. Read the following Proceedings of the Board of Revenue, dated 9th August 1866, No. 5,496.

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 13th July 1866, No. 157 :—

1. In a village called Dubacharlu, in the Yernagudem Talook, twenty-six Ryots and some other individuals have built houses about two years ago on Government Ziraiti land, of the extent of 21 Acres and 59 Cents, assessed at Rs. 11-12-0, according to the joint-rents. The village authorities state that they permitted the Ryots to build houses on the above ground, as those Ryots paying 400 Rupees revenue to Government wanted to go away to some other village in consequence of their having no good house sites in this village. The shist of the land has been, up to the past year, paid by the joint-renters ; but from next year, the Ryots will have to pay the new settlement assessment.

2. The Acting Head Assistant Collector in charge of the Yernagudem Talook has, therefore, now proposed that the 21 Acres and 59 Cents of land occupied under the houses may be granted to the Ryots, &c., free of assessment from the next year.

3. I, therefore, beg to submit his proposal with my recommendation for the favorable orders of Government. There was a want of good building sites in the village.

Submitted for the orders of Government, with the Board's recommendation that the 21 Acres 59 Cents of land referred to by the Collector be included in the village site.

No. 406. ORDER THEREON, 16th August 1866, No. 2,100.

Land Revenue.

1. Sanctioned.

2. The additional land should be laid out with due regard to sanitary principles, and, as the extent is considerable, a portion might be reserved as a village tope and planted with good fruit trees.
