Proceedings of the Madras Government, Revenue Department,
16th August 1866.

No. 417. Read the following Proceedings of the Board of Revenue, dated 10th August 1866 :—

Read G. O., dated 7th August 1866, No. 1,978.

1. The Collector of Ganjam is informed that instructions have been sent by telegraph to the Collector of the Godavery District to secure 1,500 bags of seed paddy, and forward them on to Gopalpore by the Steamer "Punjaub."

2. The Collector of Salem and the Sub-Collector of North Arcot, as well as the Tahsildars of the Sydapet, Trivellore, and Ponneri Talooks, Madras District, have been also desired to purchase and send as much seed paddy as they can obtain for despatch by the same opportunity.

3. As the Steamer "Punjaub" is advertised to sail for Gopalpore on the 13th instant, the Board fear that they will be able to send only a small quantity of the seed by her from Madras, particularly as it is understood that there is great difficulty in getting the Ryots to part with seed paddy.
